FOOTNOTES –

¹ The dates in this column refer to the first medium of release. Actual release dates are italicized.

² Functioning Minor Civil Divisions (MCDs) in 20 states.

³ Includes the production of a download file that provides users with urban/rural population and housing unit counts not available with previous SF 1 releases. The lowest level geography is blocks.

⁴ One DVD containing state and national data will be produced following the release of the National Update.

GENERAL – The 2010 Census data products meet a variety of data needs for different segments of the data user community. The data products described here provide a summary of the general tabulation and publication program for the 50 states, the District of Columbia, and Puerto Rico (which is treated as a state equivalent for most data products).

Summary Files will include all or some of the following: quick tables (including demographic profiles) and geographic comparison tables. Thematic maps now are available as a function in American FactFinder. Download capability includes FTP and American FactFinder download options.
